## National Bacchus Conference

The HAWES have been chosen to present at the national NASPA Peer Education Bacchus General Assembly in Denver, Colorado on November 16<sup>th</sup>-19<sup>th</sup> 2017. Students and advisors from across the nation will gather in Denver to be inspired, share ideas, and build exceptional peer education programs and strategies in health, safety, and student leadership. The HAWEs will present their program "How to Increase Programming on Mental Health" which highlights the successful program "Message From a Friend" that we have created this semester. Presenting is Alissa Assad, Kayla Devin, Hannah Verre, Rob White.

## Resources/ Tips

Breaking the link between the trigger and smoking will help you stop. Here is a list to help.

- Do not smoke. Not even one puff!
- Stay busy- try walking, exercising, or other activities and hobbies
- Drink lots of water and juices
- Use nicotine replacement if that's your choice
- Attend a stop-smoking class or follow your self-help plan
- Avoid people who are smoking
