

ROGER WILLIAMS UNIVERSITY

Bring Your Own Device [BYOD] Policy

Scope

This policy is intended to address users of university owned IT devices such as smart phones, tablets and other devices to access and store University information. This is commonly known as 'bring your own device' and referred to in the rest of this policy as BYOD.

This BYOD policy defines the acceptable use of mobile devices, specifically the use of these devices on the RWU network and those devices connecting to RWU internal and cloud based resources remotely. RWU reserves the right to revoke the pri
