

Independent
Petition for Undergraduate

Independent Study courses provide an opportunity for individual pursuit of classroom courses at Roger Williams University. Independent Study courses are designed to address specialized research. Independent study courses are approved prior to the end of the second week of the semester in which the

All proposals for Independent Study courses must be filed prior to the start of the semester. Students whose petitions are approved must submit the appropriate course load. Students must list the independent study course on the form to receive a final grade. Neither the student nor the instructor may be
